Great. Can you share that product and pricing info and contacts? Much appreciated!

Jessica,

As far as I know the only Spring Street parklet furniture approved are the cafe tables and chairs I ordered through Steve Prescott with Brixey Corporation. Most recently they were ordered for the parklet in front of Syrup.

There is a fixed furniture element and we were approved for doing concrete on top of those but that was the only variance to the furniture elements I am aware of...

Folks - I'm trying to track down the vendor and item information for the benches that have been approved for the Spring Street Parklet. Blair / Noah, is that info you would have or do I need to figure it out through LADOT?

Thanks!

Jessica
